Strong verbs are less common in Dutch, but they include many of the most common verbs. They form their past tenses by changing the vowel of the stem . For strong verbs one needs to learn three or four principal parts: the infinitive, the past (singular), optionally the past plural, and the past participle. However, the vowel patterns are often ...

In linguistics, grammatical gender system is a specific form of noun class system in which the division of noun classes forms an agreement system with another aspect of the language, such as adjectives, articles, pronouns, or verbs. In languages with grammatical gender, most or all nouns inherently carry one value of the grammatical category called gender; the values present in a given ...
