### John Deere Gator XUV 825i Specs | Tractors Review

The Gator is powered by an 812-cc., automotive-style, three-cylinder engine that produces around 50 hp. This engine will power the Gator up to speeds of 44 mph, but it's where the engine makes its power that is important. This is a low-end engine, meaning the power really comes on in the lower end of the RPMs.
