American Democracy Patterson 10th Edition

Patterson's The American Democracy has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 10th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources.

American Democracy : Alternate Edition 10th edition ...

While I might wish that the 10th edition was still valid, a great deal of things have changed. It is a pretty solid textbook. The writing is approachable, and manages to maintain a sense of neutrality in areas where there are harsh divisions.
