Olympic Long Jumps

Chapter 9 The modern Olympic Games, a modified revival of the ancient Greek

Olympian Games, were inaugurated in 1896.

Since then, the Games have been held nearly every four years at various sites around the world, and have become a major international athletic competition. Based on the gold medal

distances shown, write

The Investigative Task is the final question in the AP Statistics free-response section, but we don't recommend saving it for last.

Because this question is worth three times as much as any of the

# Online Library Ap Statistics

## Investigative Task Chapter 21

other free-response questions, you want to make sure you answer it well, or it could really impact your final score.
