Arbitration Clause in International Contracts

Arbitration Clause in International Contracts View Comments. You might provide for arbitration as an alternative to litigation for resolving international contracts disputes. Arbitration is less formal procedurally than a court trial but still allows Parties to present their claims before a neutral specialist or panel for an objective decision.

Arbitration Clause in International Contracts

Particularly in the international contracts area, arbitration is used to bypass the fear (real or perceived) of not getting a fair hearing in another country's courts, or fear of corruption in such courts. One of the most important but little-known reason to use arbitration clauses in your international contracts is enforceability.
