The Magic Of Believing

This is a small book as shown and this makes for an easy read.The contents are very inspiring.The author explores the concept of the power of thought, a very powerful tool which can make or mar our lives.The magic of believing a goes beyond that to touch on believing and the concepts.It is a very good book.

The Magic of Believing: Bristol, Claude M.: 9780671745219 ...

I read The Magic of Believing twice and I use the Bonus book at the back, TNT: It Rocks The Earth, as a quick daily incentive. What I find particularly interesting is the book was written by a businessman and not one of today's so-called motivational gurus.

The Magic of Believing (Original Classic Edition): Bristol ...

"Just believe that there is genuine creative magic in believing—and magic there will be, for belief will supply the power which will enable you to succeed in everything you undertake." The Magic of Believing was originally published in 1948 yet its thesis has withstood the test of time and it is as relevant, informative and inspirational as it was 70 years ago!

The Magic of Believing by Claude M. Bristol

"The Magic of Believing" gives you a nuts and bolts approach on how to move beyond your limitations, develop a CAN DO attitude and effectively utilize the law of attraction in your daily life. Even though this book was written back in the 1940's the information it contains is just as relevant today as when it was first published.

Claude Bristol ran across answers as a youth to all his later questions as an adult, but couldn't put them to use until the Great Depression and the dire necessity of those conditions forced him to decide to apply what he already knew - in earnest. He had an epiphany. When he published "The Magic of Believing," it became an instant bestseller.
